

Ready Mix Truck Operator

Quality Concrete Limited is a market leader in the production and supply of ready mix concrete for customers throughout Nova Scotia and New Brunswick. Headquartered in Dartmouth with plants in several locations across the region, the company's growth and success has been built on industry knowledge, ethical business practices, quality products and exceptional service.

To continue our growth and success, the company requires the services of a **Ready Mix Truck Operator** to work out of our Dartmouth location.

The duties of the position will include:

- Driving in a safe and courteous manner to and from job sites.
- Inspecting the product to ensure it meets specifications upon delivery.
- Adding products to the mix manually, when required.
- Unloading the truck mixer of product under the direction of the customer.
- Performing various administrative duties including submitting delivery slips to customers, collecting payments for deliveries, and others tasks.
- Dealing with customers and the general public in a friendly, professional manner.
- Cleaning the ready mix truck and mixer, both inside and out, following product delivery.
- Ensuring that the unit meets all safety guidelines at all times.
- Performing necessary pre-trip inspections.
- Maintaining an accurate log book.

The ideal candidate will possess the following qualifications and attributes:

- A valid Class 3 driver's license with air brake endorsement.
- At least 3 years driving experience with comparable equipment.
- Strong customer service and interpersonal skills.
- Detail oriented, with a strong commitment to quality standards.
- Demonstrated record of safe driving and adhering to safety guidelines.

The position offers a competitive hourly wage plus an excellent group benefits package.
